Civil Action No. 04-10353 PBS
Our File 2639/509

Dear Wendy:

I write to confirm our phone conversation this morning. I informed you that on Friday, June 3, 2005, ScanSoft inadvertently appended a six page confidential and privileged document to Exhibit 1 to its Markman Brief on Claim Construction of U.S. Patent 6,594,630. The Court has been advised of this situation and an appropriate version of the Markman Brief and Exhibits will be re-filed electronically today.

Per my request, and pursuant to paragraph 4 of the Protective Order, please refrain from reviewing Exhibit 1 to ScanSoft's '630 Markman Brief. Also, please certify in writing as soon as possible that any copies of Exhibit 1 have been destroyed and that no copies have been disclosed to your client or anyone else.

Thank you in advance for your attention to this matter.

Sincerely,

Jack C. Schecter
